Directions Self-Assessment: Complete the self-evaluation form by filling in the New Surveyor column and give your self-evaluation to your preceptor. Use this time with your preceptor to review your self-evaluation and to seek/provide additional feedback. Finally, identify any opportunities for further learning regarding the survey of Patient Admission, Assessment, and Discharge within an ASC through a jointly developed action plan. Identify a time frame to review your progress through the action plan. At the review date, meet with your preceptor to comment on each action item and identify any follow-up items if needed. Once all action items and follow-up items are complete on the action plan, document the completion date.
